## COMMUNITY PARTNERSHIP OBJECTIVE:

Our objective is to build strong community partnerships by engaging with families, youth and local businesses. Entertainment, functions, dining sports and social clubs provide a pathway for our Club to become central hub for our community through social networking and in turn enhances growth for our Club to continue to develop.

Engaging with our Community allows for us to build stronger networks with an offer of many services within the club. Each month we have the ability to host a variety of events for each community partner where they will utilise our facilities and promote their needs with our Support. Each Community Partner will be expected to Organise as many fundraising opportunities as they would like within the month. Examples of fundraising Activities include Trivia nights, Discos, Bingo nights and raffles to name a few.
